*In 1876, Deadwood, South Dakota,* it wasn't uncommon for fortune seekers to consume beverages with names like Deadwood Lightning, Red Eye and Coffin Varnish.

They also choked down foods like squirrel, rabbit, mutton, and goat. Since then, fortune seekers continue to flock to Deadwood looking for good luck, great drinks and incredible food. We're happy you can join us for the 10th Annual Forks Corks and Kegs Food, Wine and Beer Festival.

***Come eat, drink and be merry in the footsteps of legends, and release your inner outlaw!***

**Map locations:** Go at your own pace, and your own order, for the Appetizer Crawl and Dine Around! The numbers on the map represent participating locations, and they are not in any specific order. Go in the order of where your heart, and stomach, take you!

**Trolley:** Forks, Corks & Kegs Festival Pass holders can hop on the Deadwood Trolley and ride for free! Just show the driver your lanyard and away you go!

**No food or drink on the trolley.**

**Open Container:** Feel free to bring your beer or wine, in the **official Deadwood open container cup**, with you as you walk from location to location! The City of Deadwood has graciously relaxed open container regulations for this event.

**You must stay in the open container zones which are marked with signs.**

Please return the favor by using **ONLY** the official open container cup, and having *beer or wine only* in it!

**Open container is permitted Friday, April 14 from 5:00pm to 10:00pm, and Saturday, April 15 from 11:00am to 10:00pm in designated areas. Enjoy!**
